Protecting What Matters Most

# Security Window Laminate

## TWO layers are stronger than one!

- Our process includes installing security laminate on both sides of the glass and sealing to the frame or extra protection. (Most only put 1 layer of laminate on)
- Full-time, dedicated installation crew (this is all they do)
- Clear, tinted, one-way viz & custom graphic options
- 15-year Warranty (some exclusions apply)
- 100% success rate at keeping intruders OUT
- 5-year price lock guarantee (your quote today is good for 5 years)

## What is Security Laminate?

- Security laminate **keeps intruders OUT**
- Security laminate **buys TIME** for response force to intervene
- Most affordable layer of **PROTECTION**

**Protection Done Right!**
